

SCALE A CHIOCCIOLA IN GHISA

CAST IRON SPIRAL STAIRCASES

GHISARREDO

LIGHT AND DESIGN

FILOSOFIA

Inconfondibile protagonista della storia delle nostre città e dei nostri borghi, la ghisa ritorna ad arredare le nostre case ed i luoghi in cui viviamo, con la preziosità e la bellezza che ne tramandano da secoli il sapore antico e la tradizione. Uno stile unico che si amalgama finemente anche agli ambienti più moderni. La cura dei manufatti e le personalizzazioni fanno di questi complementi, veri e propri elementi di arredo.

PHILOSOPHY

Typical protagonist of the history of our cities and old towns, cast iron returns to furnish our homes and the places where we live. Its preciousness and beauty have handed down its ancient flavour and tradition for centuries. Its unique style blends finely with even the most modern surroundings. The care of the artifacts and the customizations make these completements, real furnishing elements.

28 . PERSONALIZZAZIONI

Customizations

Le scale a chiocciola in ghisa modulari possono essere inserite sia in ambienti esterni che interni. In ogni caso l'ambiente e l'arredo godranno di un particolare tocco stilistico, rendendo così queste scale non solo funzionali, ma protagoniste di un ambiente esclusivo.

Fornite in kit di assemblaggio, sono disponibili in tre diversi diametri e le balaustre di protezione si possono creare con svariate combinazioni di colonnine e ringhiere. Per gli amanti delle trasparenze la scala si può comporre con gradini in vetro, mentre chi ama i giochi di luci ed ombre troverà particolarmente raffinato e suggestivo l'ambiente tramite un sistema di illuminazione a Led.

Modular cast iron staircases can be inserted both outdoors and indoors. In any case the environment and the furniture will enjoy a particular stylistic touch, thus making these staircases not only functional but making them protagonist of an exclusive environment. They are supplied in mounting kit and they are available in three different diameters.

Protection balusters can be created by lots of combinations of columns and railings. Lovers of transparency would appreciate the staircases composed by glass steps, while those who love the games of lights and shadows will find particularly refined and evocative the environment through a special led lighting system.

Grazie alla professionalità del suo ufficio tecnico, Ghisarredo è in grado di fornire la sua competenza per studiare le composizioni più adatte alle esigenze dei propri clienti e di progettare soluzioni su misura laddove sia necessaria una personalizzazione per ragioni stilistiche oppure architettoniche.

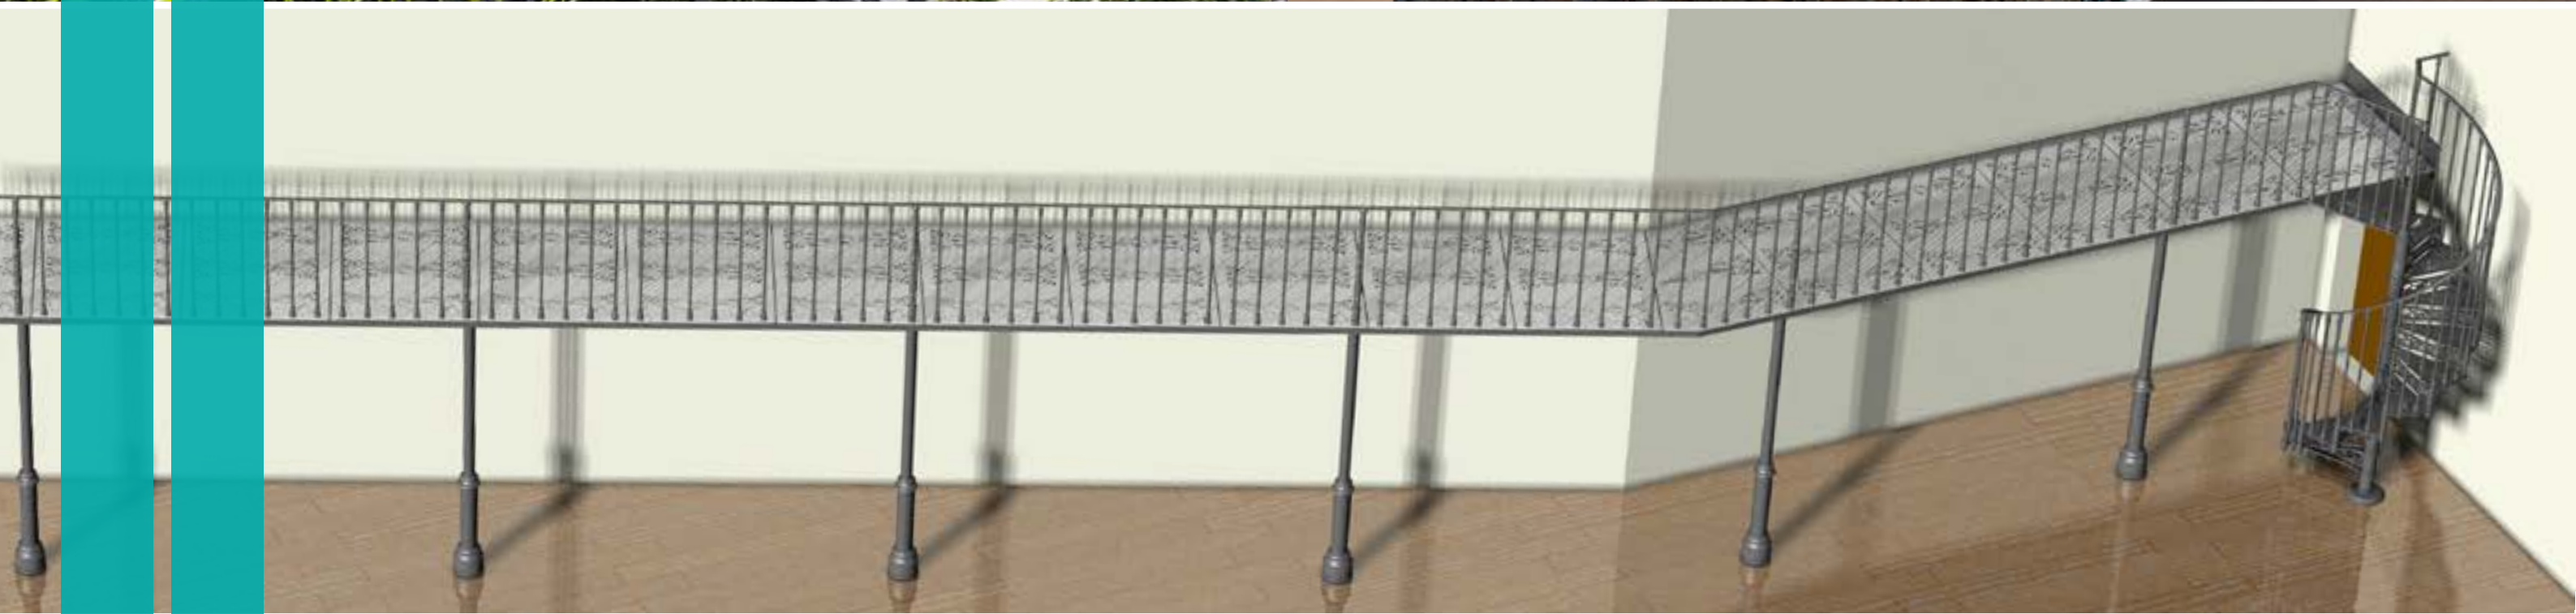

In queste pagine mostriamo alcuni esempi di personalizzazioni realizzate in seguito a specifiche richieste.

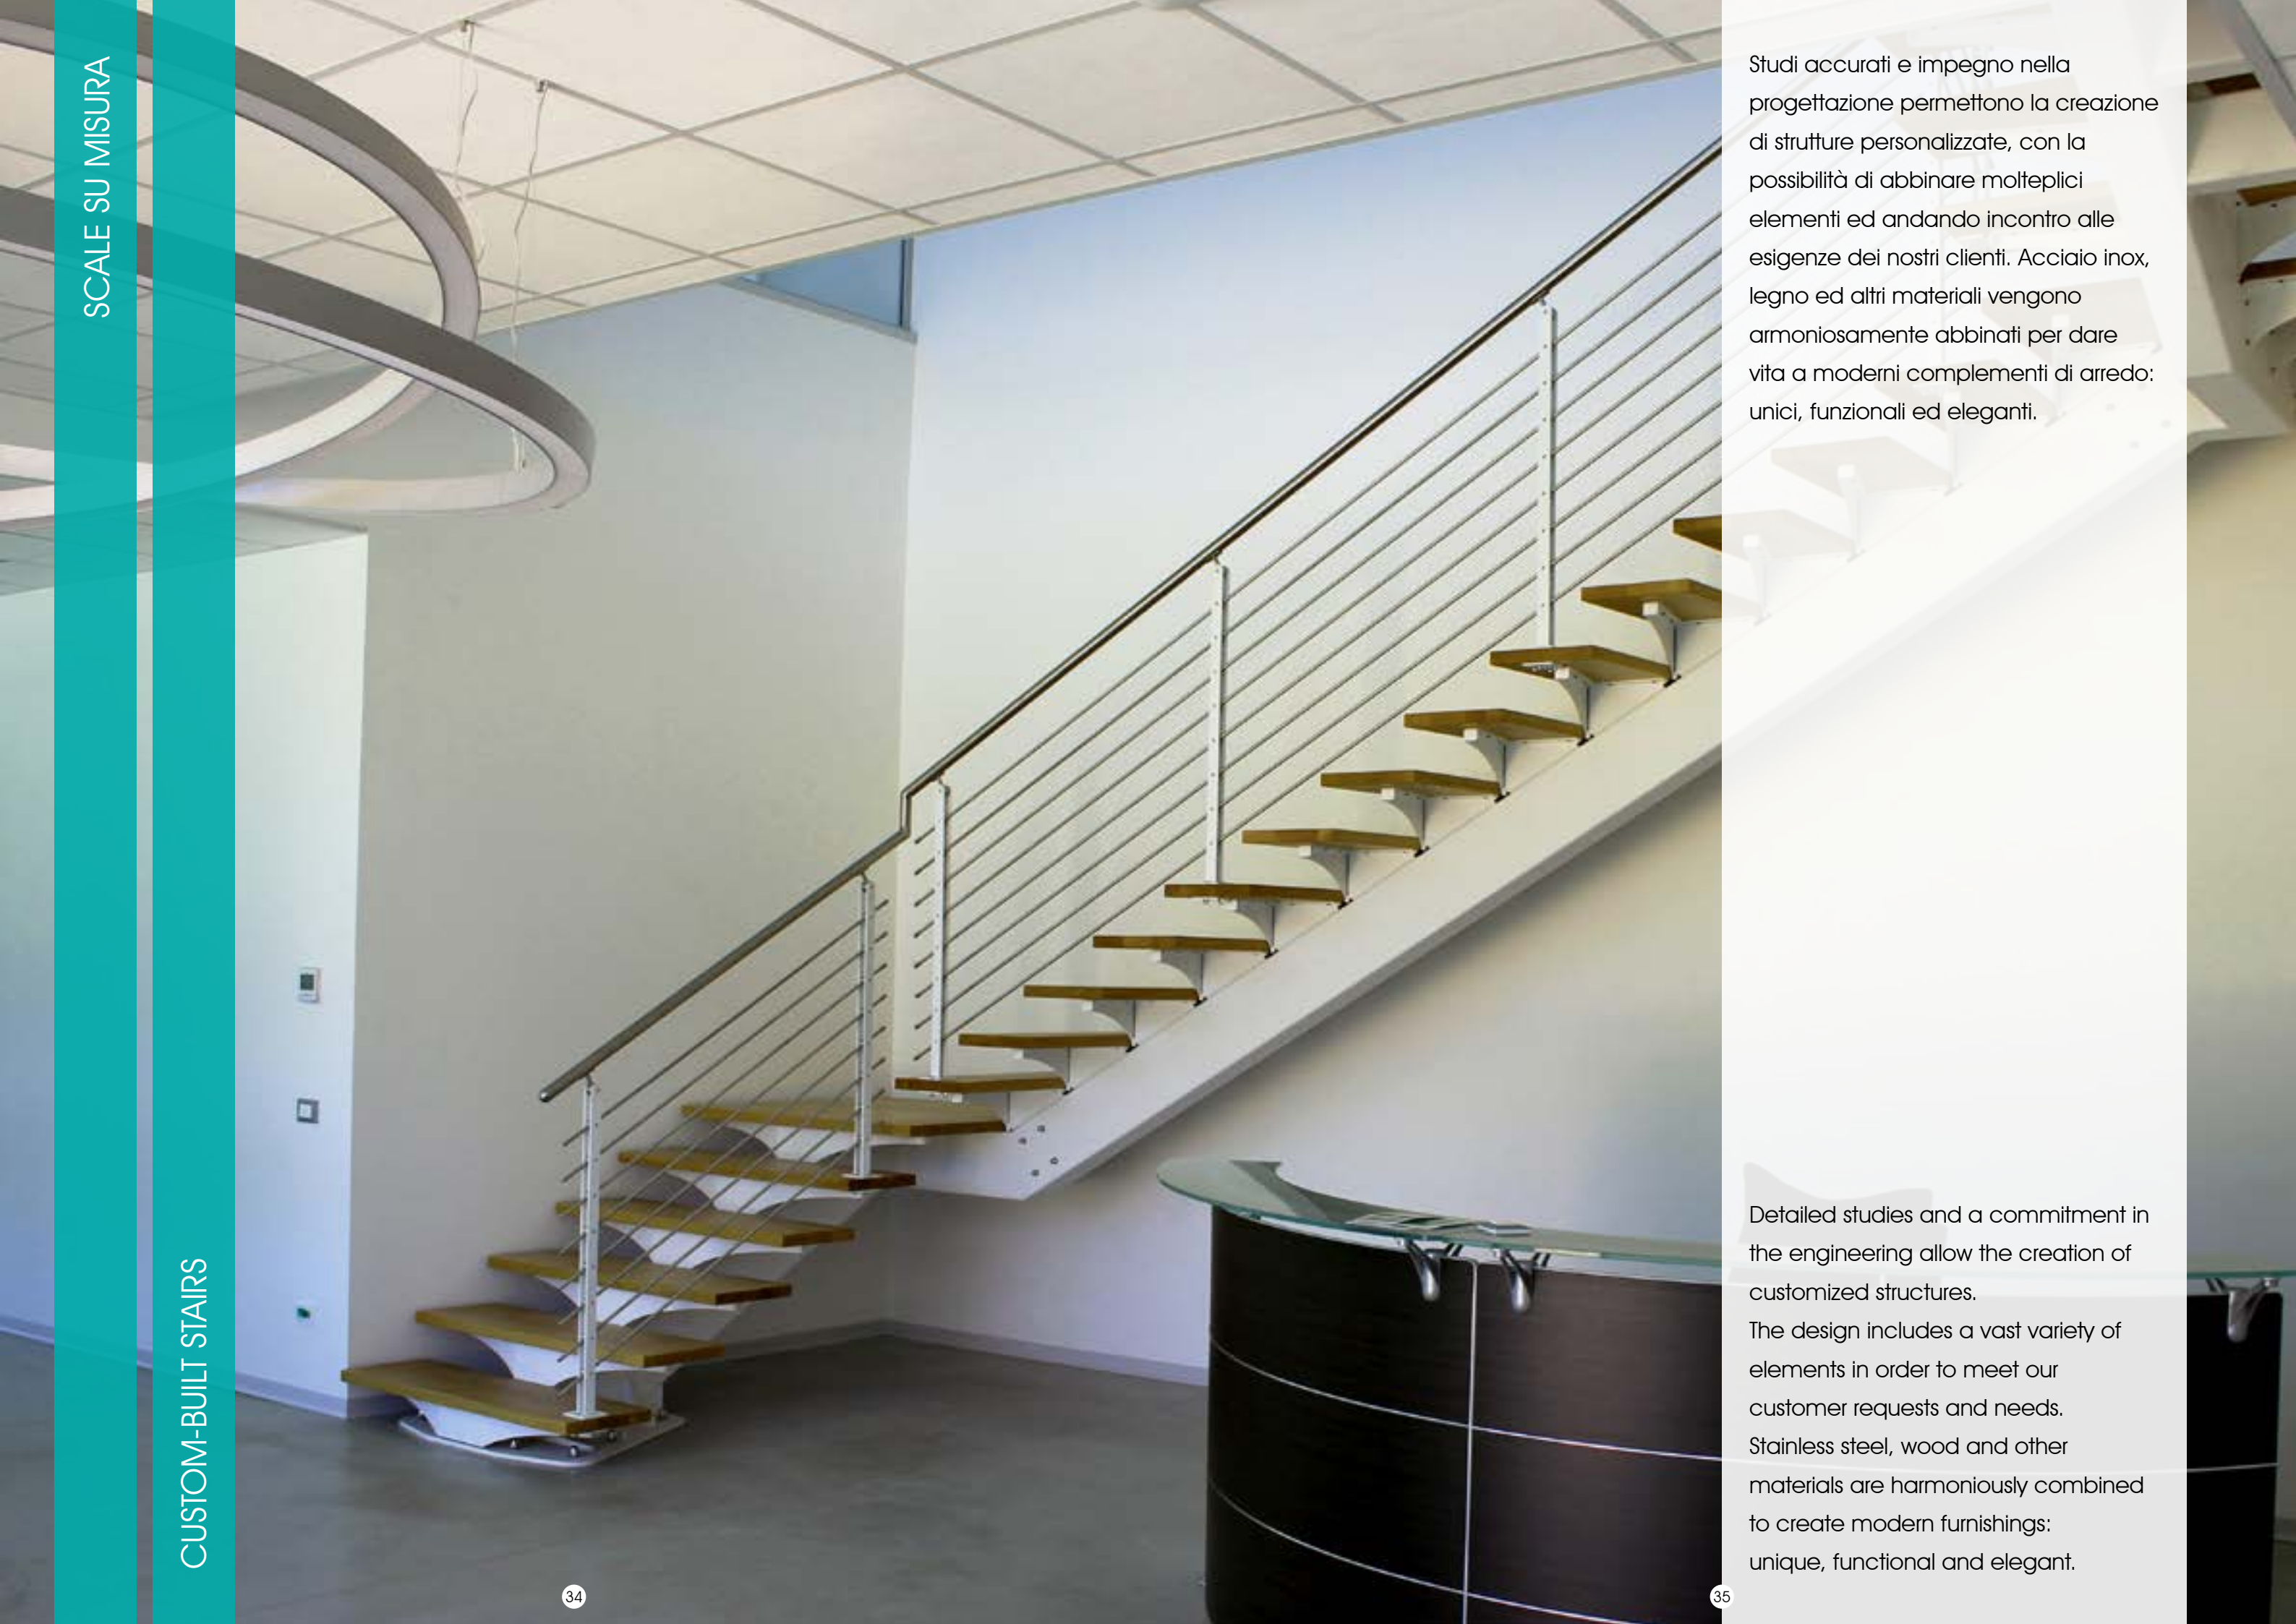

Possono inoltre essere realizzate su misura scale con gradini in vetro oppure con gradini in acciaio intagliato al laser.

Thanks to the professionalism of its technical office, Ghisarredo is able to provide its expertise to study the best compositions suited to the needs of its customers. Its skill is also to design solutions on demand where customization is required for stylistic or architectural reasons. In these pages we show some examples of customizations produced following specific requests. Customizations can include staircases with glass steps or with laser cut steel steps.

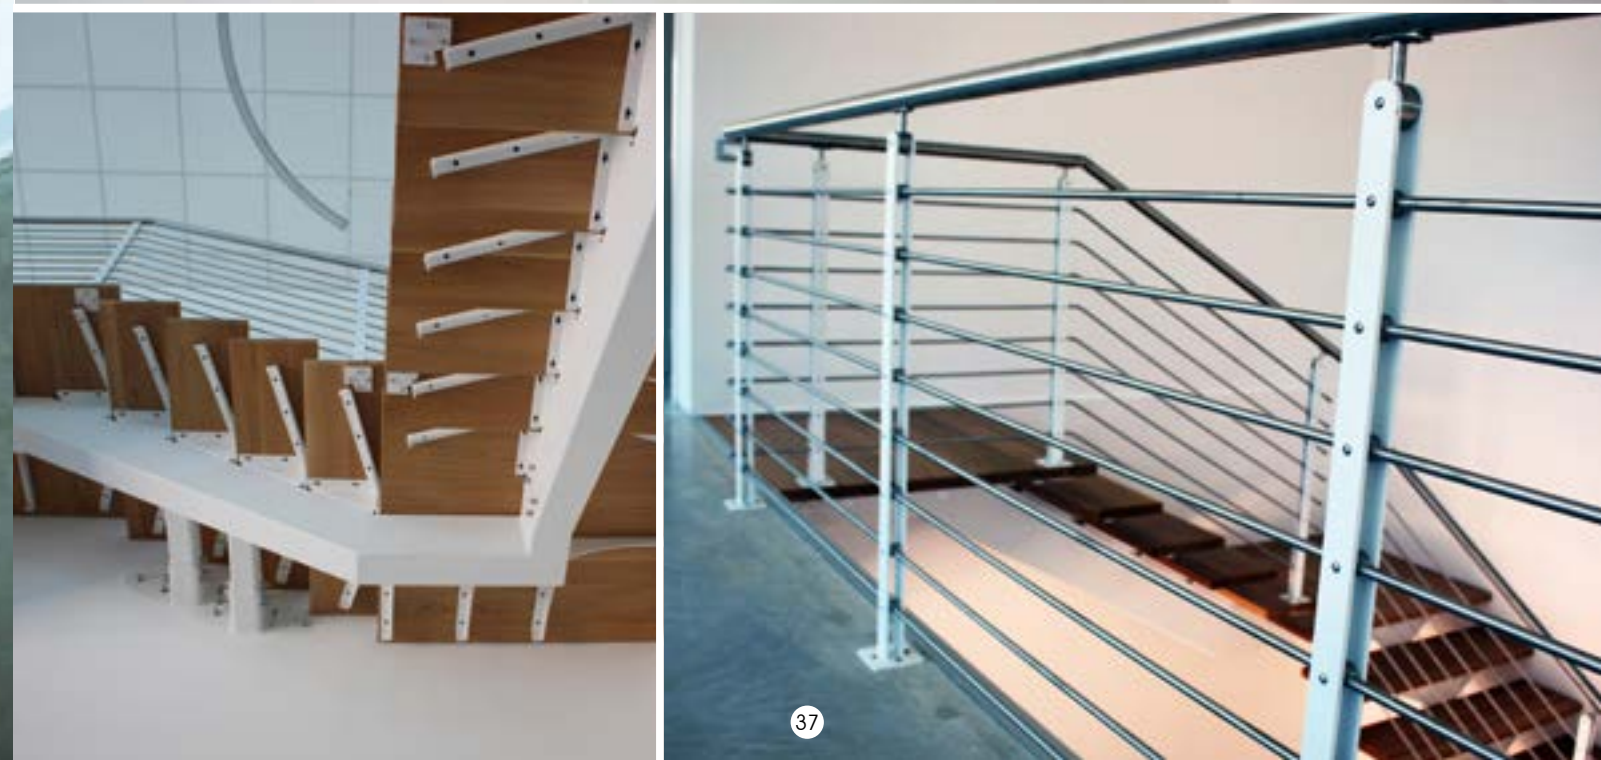

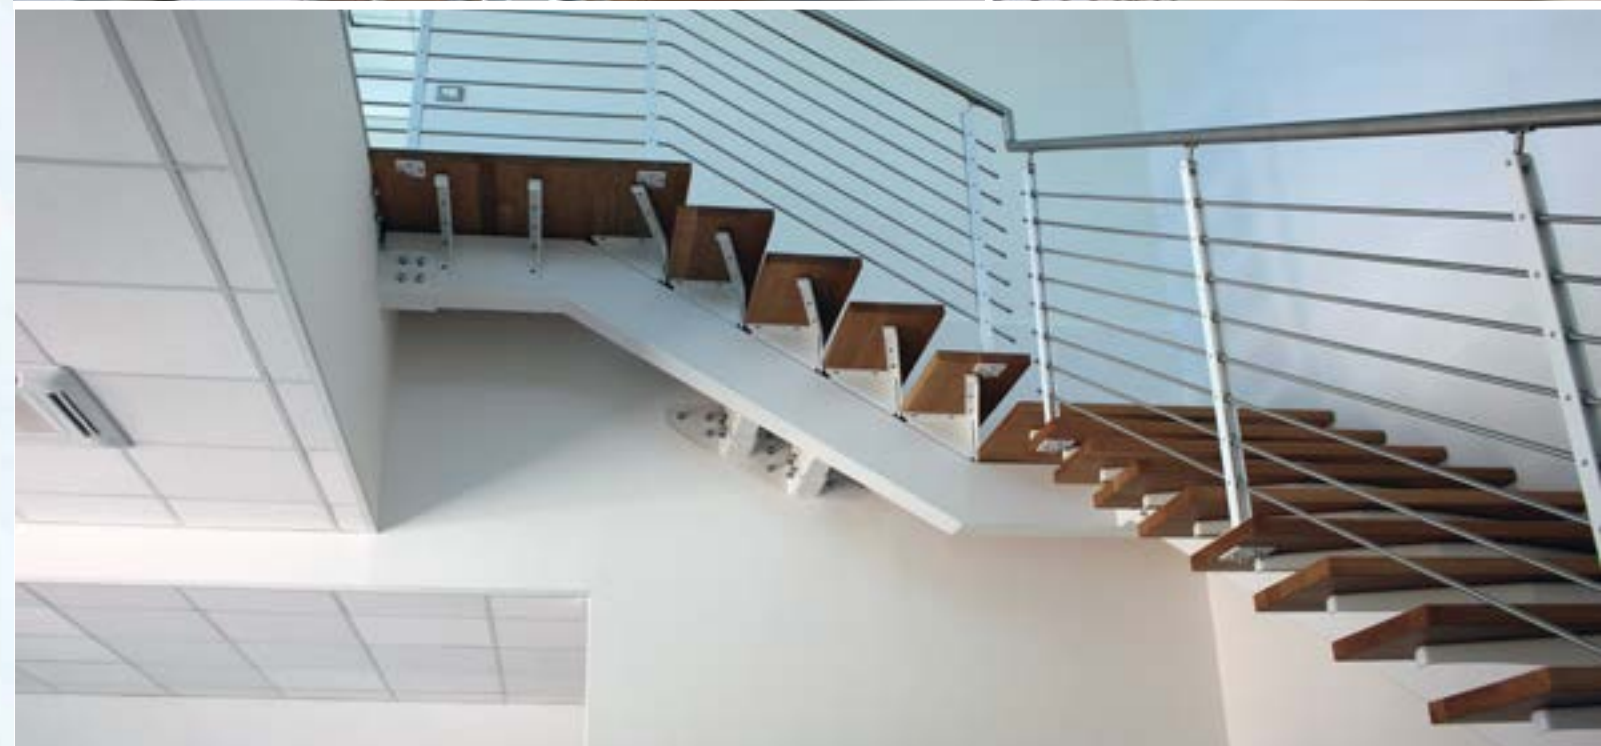

Studi accurati e impegno nella progettazione permettono la creazione di strutture personalizzate, con la possibilità di abbinare molteplici elementi ed andando incontro alle esigenze dei nostri clienti. Acciaio inox, legno ed altri materiali vengono armoniosamente abbinati per dare vita a moderni complementi di arredo: unici, funzionali ed eleganti.

Detailed studies and a commitment in the engineering allow the creation of customized structures.

The design includes a vast variety of elements in order to meet our customer requests and needs. Stainless steel, wood and other materials are harmoniously combined to create modern furnishings: unique, functional and elegant.

Ghisarredo si riserva la facoltà di modificare in qualsiasi momento e senza preavviso le caratteristiche tecniche ed estetiche dei prodotti illustrati in questo stampato.

Ghisarredo reserves the right to modify the technical or visual characteristic of the product illustrated here at any time without giving prior notice.
